

**Title 7—DEPARTMENT OF TRANSPORTATION
Division 60—Traffic and Highway Safety Division
Chapter 1—Motorcycle Safety Education Program**

ORDER OF RULEMAKING

By the authority vested in the Missouri Highways and Transportation Commission under section 302.134, RSMo Supp. 2014, the commission amends a rule as follows:

7 CSR 60-1.060 Approved Motorcycle Training Courses is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on November 15, 2016 (41 MoReg 1687-1688). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Missouri Highways and Transportation Commission received (2) two comments on the proposed amendment.

COMMENT #1: Comments received from the Motorcycle Safety Foundation (MSF) indicate that the proposed revisions to sections (1), (1)(A) and (1)(C) that reference 23 CFR Part 1300.25(e) are inconsistent with 302.134 RSMo and recommends that the references be removed.

RESPONSE AND EXPLANATION OF CHANGE: MoDOT did not seek to create confusion with the proposed rule revisions and will remove the references to 23 CFR Part 1300.25(e) from the final order of rule making.

COMMENT #2: Mr. John Skala commented that incorporating the reference to 23 CFR Part 1300.25(e) in section 1 is inapplicable because the reference deals only with beginning rider courses and not experienced or advanced courses. He also stated that by requiring the most current version, there may be multiple current versions and not allow time to transition to the most current version.

RESPONSE AND EXPLANATION OF CHANGE: MoDOT did not seek to create confusion with the proposed rule revisions and will remove the references to 23 CFR Part 1300.25(e) from the final order of rule making. MoDOT believes the reference to the most current version of the MSF courses is appropriate and sufficient, so no change is necessary.

7 CSR 60-1.060 Approved Motorcycle Training Courses

(1) The division adopts the educational, safety, and instructor standards, by reference, of the most current versions of the following Motorcycle Safety Foundation (MSF) courses:

(A) The current approved Motorcycle Safety Foundation Motorcycle Rider Course, as amended;

(B) The current approved experienced rider course. The choice of curricula is determined by the size of the riding area. The skill and knowledge tests for the experienced curricula are not required but may be used at the sponsor's discretion; and

(C) The approved instructor preparation course is MSF instructor preparation course curriculum.
